BARGAINING BULLETIN

From your CAAT Support negotiating team

It's time to start doing as management suggests:

It's time to

WORK SMART

- Start work at your designated time
- Take your breaks (away from your desk or work area)
- Take your allotted time for lunch (away from your desk or work area)
- Leave work at your designated time

We know the Colleges benefit from the “free” time that we give them. We know the Colleges will want to speed up things and get them done before Sept. 1. We know that management will push us to get more things done and to get them done faster.

Your team suggests you:

WORK SMARTER

WORK IN ACCORDANCE WITH OUR COLLECTIVE AGREEMENT

WORK TOWARDS A BETTER CONTRACT
